INTRODUCTORY.

The time has again come for issuing a new edition of the CAMBRIDGE CITY DIRECTORY, and, as usual, we have used all our resources, and bent all our energies, to the one object of keeping up the reputation of this Directory as a model book in every respect.

We have endeavored to present a trustworthy record of the inhabitants, business firms, public officers, institutions, and societies of the city, and we feel confident we have succeeded, in so doing, to the satisfaction of our patrons and the public generally.

We have been engaged in compiling and publishing Directories for nearly twenty years, and our experience during that time has enabled us to so systematize and extend our business, that, from a comparatively small beginning, we now publish more Directories than any firm in this country. We keep constantly employed a large corps of canvassers, compilers, proof-readers, printers, and binders, and the utmost care is taken in each department to avoid errors, and to present our works in an acceptable manner to our patrons.

It is our intention, another year, to have a new and enlarged map of Cambridge engraved especially for insertion in the Directory.

Having lately removed our office from 242 Washington street to more commodious quarters in the granite building, No. 22 School street, we shall be pleased to see all of our patrons and friends who may wish to refer to our Directories, complete files of which are always kept upon our shelves.

Many thanks are due to the business men of Cambridge and Boston who have so willingly aided us in our efforts this year, and hoping we may merit a continuance of the same in the future, we remain,

Very respectfully,

GREENOUGH & CO.,

INSTRUCTION TO KEY HOLDERS.

Alarms are to be given from the box nearest the location of the fire.

To give an alarm, open the door, pull the hook to the bottom, of the slot once, and let go.

Each box contains a small bell which, if heard before you pull, indicates that the alarm has been previously given. Any person listening at a box will learn the number of the box from which the alarm was given. For instance: if an alarm preceeds from box 36, the bells and gongs attached will strike three, then after a short pause six consecutive blows, thus: III—IIIIII.

Don't give an alarm for a fire seen at a distance, unless assistance is called for.

Citizens are earnestly requested to inform themselves where keys to the signal boxes are kept; signs, suitably inscribed, being placed over each box, giving the requisite information.

P. H. RAYMOND,
Chief Engineer Cambridge Fire Dept.

Dr. E. D. SPEAR,

SO MUCH CELEBRATED FOR HIS

REMARKABLE CURES.

Office, 897 Washington Street, BOSTON.

The testimony of many persons who seemed fit tenants for the grave, and who now, happily, enjoy the best of health, is proof sufficient of the great efficacy of the treatment of Dr. E. D. SPEAR. Success has attended the efforts of Dr. SPEAR in a wonderful degree. "Consumption's ghastly form" has brought terror to many a stout heart, and defied the skill of many an excellent physician. That Dr. SPEAR has restored to perfect health many suffering from this obstinate disease, is an undoubted fact, and the sceptical should be convinced by investigation. —*Watchman and Reflector.*

A SKILLFUL PHYSICIAN.—We shall perhaps convey no fresh information to the reader when we state that Dr. E. D. SPEAR, 713 Washington street, is one of the most skillful physicians in our city. He has been in active practice for many years, and this includes every variety of disease. He has been particularly successful where other physicians have seemed to fail. All who desire to procure the services of a physician who can be relied upon, should call upon Dr. SPEAR. —*From the Congregationalist.*

WELLFLEET, May 5, 1874.

DR. E. D. SPEAR—*Dear Sir:* It is with pleasure I acknowledge the great benefit I have received from the use of your medicine. In December, 1861, I was attacked with bleeding from the lungs. In June, 1862, I had another, and a much more severe attack. I well remember the time I got my sister to write to Dr. SPEAR for his medicine. My bleeding was not any common case, I assure you. After giving the medicine a fair trial it entirely cured me. From that time to this I have had no bleeding. My health is good. I can work as long as the best of men. My weight is one hundred and fifty, the same as before my sickness. I know of no reason why I am not good for thirty years, for I have outlived a large number that thought I would die fourteen years ago.

JOHN G. HIGGINS.

KEENE, N. H., Dec. 8, 1873.

DR. SPEAR. I am very much better. My lungs felt filled up, but now feel free and easy My appetite is good; I have gained ten pounds. I have been very punctual in taking the medicine. I think I should have been in my grave but for you. My prayers shall go up to God that he shall bless you and yours.

Respectfully,

MRS. MIRA A. BAKER.

SAND LAKE, N. Y., March 2, '74.

DR. SPEAR,—*Dear Sir:* Last August you sent me a box of medicine for my son, for bleeding at the lungs. In six weeks he appeared like a new man. He said he would need no more medicine, for since the first of September until the 20th of February he had not spit any blood. Two weeks ago he took cold, and has raised some blood. Please send, as soon as possible, a box of medicine, and he will pay on delivery.

ORLANDO HORTON.

EAST LYME, Conn., Nov. 5, '73.

DR. SPEAR,—*Dear Sir:* I am thankful that God has given you skill to relieve the afflicted. I am happy in the thought that I can do anything towards publishing your name to the world. To God be all the glory.

Yours truly,

NANCY MANWARREN.

DR. SPEAR will also refer to James T. Croft, 97 Beverly street, cured of consumption.

John Ward, 787 Sixth street, cured of consumption.

Charles O. Doe, Boston cured of bleeding from the lungs.

TURKISH BATHS,

17 Beacon Street, BOSTON.

As a luxury and a means of preserving health, these Baths are unequalled. Also as a remedy for

COLDS, CATARRH, RHEUMATISM,

Diseases of the Lungs, Liver, Kidneys, &c.

To the over-worked Brain-toilers, and people of Sedentary Habits, it is one of the very best means of equalizing the circulation, quieting the nerves, affording prompt relief to the brain, and inducing prolonged and refreshing sleep.

They are adapted to the most sensitive invalid as well as the most robust constitution, so that even the first bath is really enjoyable.

PROF. L. T. TOWNSEND, D. D., SAYS:

"During the *two years*, while using the Turkish Bath once a week, I do not remember being detained from my professional duties *two days* by reason of sickness.

There can be no question that professional and literary men would greatly improve the *quantity* and *quality* of their productions by regularly visiting the Turkish Baths."

REV. W. H. H. MURRAY, SAYS:

"No one can ever know what bodily cleanliness is, what physical purification is, what a beautiful and sweet temple God gave for the soul to dwell in and use as its instrument, until he has been through the sanitary discipline of a Turkish Bath, or something tantamount to it."

They are administered with care and discretion, under the personal supervision of

M. P. BROWNING, M. D., Proprietor.
